We would highly recommend Sean for your special occasion.

We are most definitely not dancers and sean got us and our guests all up on the dancefloor. We had an absolutely phenomenal time! His online portal makes it very straightforward to put in your favourite song choices, would not hesitate to use your services again. Thank you so much.

Mr & Mrs Johnston, Ross Priory

We were lucky to have Sean as our wedding DJ, an amazingly fun and professional person who understood exactly what we needed. Would recommend him to anyone looking for a DJ for any occasion.

Mr and Mrs Smith, The Rowantree

Sean was absolutely amazing at our wedding in April at The Vu. The dancefloor was never empty and we've had nothing but compliments about our DJ! We had him for the dinner to dancing package and he kept the vibe throughout the whole day which is exactly what we wanted. We added on karaoke for when the buffet was served and it was unreal, people are still saying what a great idea it was! We also added a sax power hour which everyone loved. Sean had great communication from start to finish and the reel's & YouTube videos are a massive bonus, we can't tell you how many times we've rewatched them! Thanks again Sean!

Mr and Mrs McIlroy, The Vu Bathgate

What an absolute star! If you want the best wedding party ever, look no further. Sean's skill and attention to detail is second to none and just a lovely guy! Thank you for the best day of which you were such an important part.

Mr and Mrs Brown, The Halston

Sean was professional, well organised and easy to work with! Sean worked well with the music ideas we provided to him for the wedding reception dancing. He helped make the night easy, enjoyable and wonderful. I definitely recommend Sean for any DJ needs. Thank you very much for helping to make a fantastic evening!

Mr and Mrs Kuhn, Norton House Hotel

Sean put on a fantastic DJ set for our wedding and we had an amazing time dancing the night away on a full dancefloor! Sean was really communicative before our big day, making sure that all the fine details of logistics were in hand, as well as taking on board our music requests. I'd certainly recommend Sean for a wedding or any kind of party!
